Library

About Library

The Institute Library is an equal partner in the institute's teaching, learning, and research activities. The library's mission is to provide information to students, teachers, and anyone else seeking knowledge for lifelong learning. The library has a good number of books and journals. The library also provides N-LIST access to e-journals and e-books to its users. The library is critical to achieving the institute's objectives.

The library's main goal is to support the institute's teaching, learning, and research activities by providing a variety of information services and resources.
